

Dear EGEAns,

Below you can find the fee groups and maximum fees for the Annual Congress participation and membership fees. Please note that detailed information on the membership fee will be sent out separately to the entities.

Fee Groups

The economic situation in the countries across our association varies widely and no one should be disadvantaged because of this in taking part in our activities. Therefore, there are four groups (A-D) according to which the membership fee and the AC participation fee are calculated annually by the Treasurer of EGEA. If you are interested to learn how this works in detail, please have a look at Appendix C of the Protocol.

The fee group boundaries for 2022/23 look as follows:
