Protocol Appendix C

FINANCIAL DISTRIBUTION

INTRODUCTION

This document is an Appendix to the Protocol of EGEA and consists of the detailed information on how to create Annual Congress fee groups as well as how to calculate the Annual Congress fee.

PART I: FINANCIAL GROUP BORDERS

Base Year 2022:

Border between Group A & B: 47'700 USD

Border between Group B & C: 34'000 USD

Border between Group C & D: 20'500 USD

These values increase every year by 3.5% in order to reflect the annual average growth in GDP per capita based on purchasing-power-parity. The values for every year shall be calculated from the base year, not from the previous year.

Source upon which the financial groups are based:

International Monetary Fund – World Economic Outlook Database (newest accessible version)

<http://www.imf.org/external/ns/cs.aspx?id=28>.

Variable: Gross domestic product based on purchasing-power-parity (PPP) per capita GDP, current international dollar

The data shall be for the respective year (including IMF staff estimates), reviewed and published by the Treasurer until the beginning of the registration period for the Annual Congress.

PART II: ANNUAL CONGRESS FEE BY GROUP

The Annual Congress fee is a maximum fee and has a yearly inflation compensation of 2%. The base year 2022 = 180 EUR.

The fees for the different fee groups are adapted according to the following table:

Group A: 100%

Group B: 80%

Group C: 65%

Group D: 50%

PART III: ANNUAL MEMBERSHIP FEE BY GROUP

The Annual Membership fee is a maximum fee and has a yearly inflation compensation of 2%. The base year 2020 = 20 EUR. The values for every year shall be calculated from the base year of 2020, not from the previous year.

The fees for the different fee groups are adapted according to the following table:

Group A: 100%

Group B: 80%

Group C: 65%

Group D: 50%

The groups are determined according to Appendix C Part I.
